My Christmas Gift to You.....

By mmkjar@pionet.net

This simple, colorful, and heartwarming book has a big message for everyone. At one's first look, you may think it's a child's book. Yes, it's a wonderful and educational book for children AND for all ages. This book is about "Peace" for all creatures including mankind. It is a simple, down-to-earth message about nature and Mother Earth. "Alfie The Christmas Tree" has a special place in my home during the holidays every year. John Denver sent not only the little ones a special message in this book, but each of us---a Christmas message and a message to be remembered every day of our lives on earth.

A great book for all year.

I purchased ALFIE online auctionit took me 3 tries to obtain it.It was well worth the time, moneyand wait. I have John on CD reading it and now to have the bookto go along with is a joy, my children grew up on John's music and they at a young age picked up on his concern for all living things, they have instilled in their children the same love of allthings and to take care not to harmany of God"s beauty he gave us to enjoy, and to pass them along unharmed and unchanged to futuregenerations. Great book read it and remember it.

Heartwarming, thought provoking message.

By A Customer

Love the book, Alfie the Christmas Tree. The message is simple, yet encourages all who read it to remember all living things during the Holiday Season. And I quote Mr. Denver,"Say a prayer for the Wind, and the

Water, and the Wood, and those that live there too".
