Sometimes, there are lots of books that are showed. Those books obviously will certainly astonish you as this *Cross The Line By James Patterson* collection.

## Review

"Behind all the noise and the numbers, we shouldn't forget that no one gets this big without amazing natural storytelling talent--which is what James Patterson has, in spades. The Alex Cross series proves it."--Lee Child

"It's no mystery why James Patterson is the world's most popular thriller writer: his uncanny skill in creating living, breathing characters we truly feel for and seamless, lightning-fast plots. I do this for a living, and he still manages to keep me guessing from the first to last page. Simply put: Nobody does it better."--Jeffery Deaver  
?

"James Patterson is The Boss. End of."--Ian Rankin

## About the Author

James Patterson received the Literarian Award for Outstanding Service to the American Literary Community as the 2015 National Book Awards. Patterson holds the Guinness World Record for the most #1 New York Times bestsellers. His books have sold more than 325 million copies worldwide.

Just how a suggestion can be got? By staring at the stars? By checking out the sea and considering the sea interweaves? Or by reading a publication **Cross The Line By James Patterson** Everybody will certainly have certain characteristic to get the motivation. For you that are passing away of books and constantly obtain the inspirations from books, it is truly terrific to be below. We will show you hundreds compilations of guide Cross The Line By James Patterson to review. If you like this Cross The Line By James Patterson, you could additionally take it as yours.

This is why we advise you to constantly see this page when you require such book *Cross The Line By James Patterson*, every book. By online, you might not getting the book establishment in your city. By this online collection, you can find guide that you truly intend to read after for very long time. This Cross The Line By James Patterson, as one of the advised readings, tends to remain in soft documents, as all of book collections right here. So, you could also not get ready for couple of days later on to obtain as well as review guide Cross The Line By James Patterson.

The soft data indicates that you have to visit the web link for downloading and then conserve Cross The Line By James Patterson You have actually possessed the book to check out, you have actually postured this Cross The Line By James Patterson It is uncomplicated as visiting the book establishments, is it? After getting this quick explanation, hopefully you could download one as well as begin to check out Cross The Line By James Patterson This book is very simple to check out each time you have the downtime.

# CROSS THE LINE BY JAMES PATTERSON PDF

In all of Alex Cross's years with Homicide, Washington, DC, has never been more dangerous.

After shots pierce the tranquil nighttime calm of Rock Creek Park, a man is dead: what looks at first like road rage might be something much more sinister. But Alex has only just begun asking questions when he's called across town to investigate a new murder, one that hits close to home: Washington's own chief of detectives. And Alex's former boss, beloved mentor of Alex's wife, Bree.

Now there's a killer on the loose, a long list of possible suspects, a city in panic, and nobody in charge of the besieged police force.

Until Bree gets tapped for the job.

As Bree scrambles to find her footing and close two high-profile cases, new violence stuns the capital. What should be a time for her to rely on Alex for support and cooperation is instead a moment of crisis in their marriage as well as their city when their investigative instincts clash and their relationship reaches a breaking point.

And the fiendish mind behind all the violence has appointed himself judge, jury, and executioner, with a terrifying master plan he's only begun to put in motion. To beat him at his own game, Alex and Bree must take the law back into their own hands before he puts them both out of commission...permanently.

The annoying Nana Mama still crops up way too often

By TUCSON ROBERT

CROSS THE LINE is James Patterson's 24th book in the Alex Cross series. I've never been a big fan of the series, but I give this one some high marks. Believe this book was actually written by Patterson without the help of his usual surrogate writers. For the most part the story is an action thriller and the Cross family appearances are kept to a minimum (thank goodness). The annoying Nana Mama still crops up way too often. The story starts with a wave of senseless killings across Washington DC and its suburbs. Only after the District Chief of Detectives and his Slovakia girlfriend are gunned down in cold blood on a busy public walkway does it grab the attention of Washington politicians. They demand swift action. Dr. Cross is asked to take the job as Chief of Detectives but turns it down. His wife, Bree Stone, accepts the position. This makes for interesting team and family dynamics as they pursue bad guys across the District. Interest grows as the story wades through several subplots. One involves a group of hardcore ex-military vigilantes who take the law into their own hands, another trudges into the manufacture and distribution of dangerous narcotics, and yet another deals with the trafficking and servitude of young European women at an exclusive Washington area resort. Cross and Stone ferret out the criminal activity with tact and practiced protocols. There is plenty of action with good fight scenes and shootouts. Although not a Cross fan, I must say the novel is engaging and held my interest. I give the story 4-stars.

I am really confused!!

By Linda S. Dimezza

I am giving this Alex Cross book for one reason only!! Does James Patterson think that the majority of his readers are stupid? In May, I ordered and read Cross Kill, a Bookshots story about Alex Cross and his "dead" nemesis, Gary Soneji. I apologize to anyone who has not read it but I have to mention the end of the Bookshot in order for you to understand my confusion. At the end of Cross Kill, John Sampson has been severely injured by bullets and is in critical condition, not knowing whether he will live. Alex Cross has been arrested for murder and is taken into custody. Now one would think that at the beginning of Cross the Line, the author would have brought closure to the serious situations that Sampson and Cross are in. But no. The book begins and there is no mention of how Sampson recovered or how Cross was exonerated. I find this totally ridiculous. If someone has an explanation that I am not aware of, I would appreciate a response. Other than that huge mistake, the book is rather good.

Great Adventure But With Great Tortuosity

By Martin Fricke

First, I wasn't overly fond of the book description given on Amazon. For example, it says: "What should be a time for [Bree] to rely on Alex for support and cooperation is instead a moment of crisis in their marriage as well as their city when their investigative instincts clash and their relationship reaches a breaking point." Yet at no point is Alex's relation with Bree endangered; rather, they grow closer. And there are the usual heartwarming asides about Nana Mama and Alex's children Damon, Jannie, and Ali.

But, secondly, this book is very complicated, as some of Patterson's are. There are three principal storylines: unauthorized mercenaries attacking cartels engaged in drug and human trafficking; some seemingly road-

rage murders; and a drive-by shooting taking out a chief of detectives, his CI, and a person they try to frame. Somewhat frustratingly, who's doing what baffles Alex, Sampson, Bree, and their FBI associates for most of the book.

However there are furious engagements throughout, and the book is a great action-packed adventure for those committed to "hang in there" and, as closely as possible, follow the many twists and turns, while forgetting about those that are just too puzzling.
