... was required for a class and I got a good deal on Amazon as compared to my university bookstore

By Jessica T

This book was required for a class and I got a good deal on Amazon as compared to my university bookstore.

This book was used before I got it and served its purpose for my class. There are interesting concepts in this book that I may even look back on as needed for further studies.

... humans growth and development class online and it was great but my teacher also made these very detailed outlines ...

By christine

Used this for my humans growth and development class online and it was great but my teacher also made these very detailed outlines of the chapters so I don't use it too much unless it's for test
