An innovative approach to these ancient creatures, this reference identifies more than 500 species and describes each one by several characteristics: what it looked like, what it ate, how it lived and fought, and where it lived and died. Including the latest discoveries and information—along with descriptions of the very first fossils unearthed—this exhaustive guide is as unique as the dinosaurs themselves. Una mirada innovadora a estas criaturas antiguas, esta referencia identifica 500 especies y describe cada tipo de dinosaurio: como eran, qué comían, cómo habitaron y lucharon y dónde vivieron y murieron. Incluyendo los últimos descubrimientos, información y descripciones de los primeros fósiles, esta guía es tan exhaustiva e única como los propios dinosaurios.
