HOW TO GET ACCEPTED INTO DENTAL SCHOOL BY STEPHANIE STEPHAN PDF

This one-of-a-kind guide, by a current dental student, provides you with all of the information you need to know in applying to a US dental school! Written chronologically from high school, through undergrad, and into the DAT and AADSAS application process, readers should have all the tools they need to gain acceptance!

With so little help out there for dental-school-hopefuls, Stephanie decided that things needed to change. Pre-dental students need guidance too! In this book, she explains the entire path from high school to acceptance in the exact amount of detail you need!

Covered in this guide are details on volunteer and research, everything you need to know about the DAT and 2013 AADSAS application (including study and test-taking tips!), personal statement tips and an example, letters of recommendation (and a list to give your references!), sample letters, interview questions (and answers!), and much more!

Prepare yourself for acceptance with this amazingly detailed guide in your hand!

Don't own a Kindle yet? Not a problem, the Kindle application is available for FREE to download on your computer from <http://www.amazon.com/gp/feature.html?ie=UTF8&docId=1000426311> or on your iPhone, iPod touch, or iPad free from the App Store.

Download the application for free, purchase our book, and prepare yourself!

This is great!

By Peter

I never write reviews, but I think it's important that people applying for dental school get a book like this - totally recommend it. It had everything in it that you need to know. Worth the money for sure, if only just for the amount of time it saved me researching all those things. Really prepared me for the apps, hoping I can use the interview section this fall.

Supper helpful

By Aus

This book is so informative and helps u through every step of the way. It is highly recommended by me to read if u want to get into dental school.

Thank you stepanle Stephan for riteing such a helpful book.

No Real Information

By Readergirl22

While this is a good overall view of the author's experience, it's no more than the basic information gathered in one place. I wouldn't call it a guide, but rather an overview. For those looking for real insight into the process, it's not there.
