An irregular person surrounded by them

By Leatha L. Bolinger

This book opens your eyes to your irregularity with other people and there irregularity with you. It made me reflect on my difficult relationships and honestly discern when I was the irregular person and when the other person played that role. This is a timeless book that a dear friend loaned me. I bought my own copy and highly recommend it. Whew! I can lose a great deal of loss, regret, resentment and worry.
