Each day offers encouragement and hope from a Savior who is closer than you can imagine and who will never leave you.

Grow in a deep personal faith while reading a message that everyone needs to hear and embrace deep within the soul. Jesus Calling® is a devotional that is read daily by more than six million people. This version includes the beloved original content, but with a modern cover that will appeal to a younger audience.

After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God, and from that experience Jesus Calling® came to be.

It is Sarah's fervent prayer that our Savior may bless every reader with His presence and His peace in ever deeper measure.

Meets national education standards.

I cannot say enough good about this book

By Colleen Brown

I cannot say enough good about this book. It feeds my soul everyday. It gives the background of the author, which I loved. The scripture at the bottom of the page is already written out for you, you don't have to go searching unless you want to read it in a different version, which is good too. Or if you just WANT to look up the scripture. In the back is an index that shows you different subjects if you would like to study that way. For instance if you are feeling worried that day or fearful it shows which page and what scripture to look up.

And best of all, it's like Jesus is right there in the room with you talking to you PERSONALLY.

Disappointed that it only has scripture references.

By Amazon Customer

Love the book. I gave my last one away and ordered this one but it doesn't have the scripture references typed out like my last one. I am returning it to order one with the full scriptures.

Much Better Than the Original

By Amazon Customer

This is much nicer than the original version and has the scriptures quoted instead of just the references. It also has more scriptures than the original. It is sturdy and has the look and feel of quality.
