## Review

“Motivating, captivating, and everything you can think of in an excellent book from cover to cover.”

- Desire Baloubi, Shaw University

“The chapter on the Ethnography of Communication is especially strong and lays the foundations for the rest of the book. I would not cut a thing from this book. The existing chapters are excellent .”

- Sean O'Neill, University of Oklahoma

## About the Author

Nancy Bonvillain is a professor of anthropology and linguistics at Bard College at Simon's Rock. She is author of over twenty books on language, culture, and gender, including a series on Native American peoples. In her field work she studied the Mohawk and Navajo, and she has published a grammar and dictionary of the Akwesasne dialect of Mohawk. She received her PhD from Columbia University in 1972 and has taught at Columbia University, The New School, SUNY Purchase and Stonybrook, and Sarah Lawrence College.

Explore the connections among language, culture, and communicative meaning

Using data from cultures and languages throughout the world to highlight both similarities and differences in human languages, *Language, Culture and Communication, Seventh Edition*, explores the many interconnections among language, culture, and communicative meaning. The text examines the multifaceted meanings and uses of language. It also emphasizes the ways in which language encapsulates speakers' meanings and intentions.

Nancy Bonvillain focuses on analyzing communicative interactions, revealing how social relations are produced and reproduced through speech. The text also highlights the analysis of language ideologies, that is, the beliefs that people have about language structure itself, about language usage, and about appropriate norms for producing and evaluating speech.

This 7th edition contains updated information throughout as well as several new sections. Examples of language practices in African societies have also been added.

## Learning Goals

Upon completing this book, readers will be able to:

- Recognize reputation and pattern in human speech.
- Understand the formation and structure of language.
- Have a strong understanding of the use of rhetoric in communication.

I basically went through the entire book and there were a few chapters that I enjoyed more than others

By CollegeNerdAlways

Ordered book for my class as was directed by instructor. I basically went through the entire book and there were a few chapters that I enjoyed more than others.

0 of 0 people found the following review helpful.

but good information overall

By Ali A.

Rented it for my linguistics class, a little too cut and dry in my opinion, but good information overall.
