Italians..Ooh LaLa!

By Marie

Just loving this series..read the first two and going on the third..Definitely a good read for people who like Love and Romance books

Loved it

By Magdaeva

I love the whole feel of the book. The way the Author describes the characters in the book you can really picture them while your reading and thats what i loved its like your watching a movie in your head while your reading Its everything a romance novel should be.

The Chase

By Kindle Customer

At first sight he was the one or so she thought. He made her want things but she didn't know him. He wanted her but he didn't know her so he offered her a job. How do you get it on with your boss when he's made it clear it was a mistake
