Hi Ms. Alexa,

I've been a huge fan of Candy Candy for the longest time now. After a conversation I had with a friend, I decided to do a bit of research on the series. This is when I stumbled upon your book. I found the topic very interesting and immediately decided to purchase it.

I cannot begin to tell you how wonderful it was. I was not able to put it down. I finished it in one sitting and right away, started reading the second book. I was just as impressed and I found it incredible. I clinged on to every word as if it were my last and the story was very well crafted. No encounter that Tessa and Anthony had failed to take my breath away. Ever since, I have not been able to stop talking about it.

Anyways, I just wanted to thank you for your dedication. You have a wonderful way of writing. It's been a long time since a book made me forget to eat and sleep. I cannot wait for the third installment of "The Rose of Anzio".

- Best Regards, Rosy

ROSE OF ANZIO - MOONLIGHT (VOLUME 1): A WWII EPIC LOVE STORY BY ALEXA KANG PDF

“Tessa, I don’t know how to swing dance, and I wouldn’t be very good at it if I tried. But if you care, I’d like to do a different kind of dance with you.”

***Special Historical Fictions Cross-Promo. Rose of Anzio-Moonlight 99 cents this weekend. (Normal Retail Price \$2.99).

Summer 1940. Fourteen-year-old Tessa Graham finds herself in a new, unfamiliar world. For her safety, she is sent from England to Chicago to live with the prominent Ardley family just before the London Blitz. Stifled by the ways of the rich, she is soon drawn to the city’s infamous South Side. A world where she discovers jitterbug dancing, and the intrigues of the powerful Irish community. But is this the escape she really wants?

On the University of Chicago campus, eighteen-year-old Anthony Ardley has to make a choice. His country stands at the brink of war. Conscription threatens to become reality. As sole heir to the Ardley fortune, should he stand with his beloved uncle, a staunch isolationist, or join his radical classmates clamoring for American intervention?

What will happen when Tessa and Anthony cross paths on the way to discovering themselves?

A coming of age tale that emerges into an epic love story, this book takes you back to Chicago in the pre-war era, when two young people must find their paths in a world that is fast falling out of control.

Don’t miss this story if you enjoy WWII historical fiction, moving romance tales, the Titanic or Downton Abbey.

Romance against the odds

By Pamela Ann Savoy

This book is a very good read, it has endearing characters that make us feel along with them, as they are searching themselves in a time of turmoil, with their world about to be turned upside down in irreversible ways. Tessa is a larger than life honest and generous girl who has such an appetite for life and love, and cares more about being true to herself than accepted by social standards. Whereas Anthony represents the typical perfect rich boy who's always done what he had to do to follow his dad's footsteps. Their encounters are never boring, but even as they clash, they help each other grow to become better persons, as each faces obstacles in their own sphere, and eventually, together.

The background of pre-war Chicago is well depicted, WWII drawing closer and closer gives a dark background hue to the plot, giving each character possibilities to evolve. Although the main story is about Tessa and Anthony, I found the secondary characters to be as colorful as the main ones, adding value to the story. I was caught in the web deftly crafted by the author, and enjoyed feeling the emotions along with Tessa and her friends and wondering what would happen next. It is almost as if we are seeing their lives unfolding on screen as the rhythm is well-paced, and the scenes and situations are described with a nice flowing yet punchy style.

I cannot wait to see how Tessa, Anthony and all the characters will find their strength and grow amidst the rolling black clouds of war hovering over their heads, and soon in their hearts.

Beautiful, captivating romance!

By Mylius

Most of all, I loved Tessa. She's bursting with life, a free spirit, and a genuinely good person who is just beginning to discover what it means to become a woman and to learn what love is.

One of the most skillful things about this book was how realistically characters were portrayed and, not only how you see them evolve and change, but also how easy it is to feel and experience life through their senses.

As soon as Tessa begins to adjust to life in America, on her own terms, she flourishes and blossoms.

Anthony took me a bit longer to warm up to, largely because there were sides to his personality that just don't get witnessed in the beginning. The plot had a very clever way of only showing you as much as you needed for that part, and the more you read, the more things tie together and build on what you already know and what you already felt. In fact, the plot was very reminiscent of a very good mystery writer. That combined with the potent realism of the romance itself made this book an amazing read.

I found it so well worth it to invest in what happens and get hooked by it. The events leading into WWII which frame the characters' decisions made me feel transported to that time, which, again, only made the romance more powerful.

The Liebestraum scene was transcendent!

I received a free copy in exchange for an honest review; I bought the book anyway, and am impatiently waiting for the next three in the series! :)

I loved "The Rose of Anzio book one" from the first ...

By Cinzia M.

I loved "The Rose of Anzio book one" from the first page, and it goes without saying that I can't wait to read book two, as well! What I liked the most is that it has an historical setting, which the author has been able to describe in the most accurate way. You can really feel the atmosphere of Chicago in the forties, just like you were living it, all the excitement of a nation that despite being on the verge of war, or maybe because of that, wants to live life to the fullest is palpable, but more than anything you can't avoid falling in love with the two main characters, Tessa and Anthony literally jump out of the pages, they are adorable! These two kids who are apparently so different in temperament but at the same time they are drawn to each other irresistibly. A thrilling novel, a book which is absolutely unputdownable!

I received an Advanced Review Copy in exchange for an honest review.
