# THE FINAL KO (FINAL LOVE BOOK 1) BY JESSICA FLORENCE PDF

I fight bitches for a living.

Which makes finding a decent guy hard when you're a female MMA fighter. None of them have been my equal. I yearn for a man who can push me to reach new heights and challenge me. A man who will treat me like a lady then lift me up by my ass and impale me against the wall.

But when Arson Kade, MMA's top fighter and notorious manwhore declares he's that man for me I have my doubts. Any sane woman would.

There seems to be more to Arson than the rumors that surround him, but will it make me fall hard or run for the hills?

I know I've got no choice but to hold on for the ride.

It's the main event and my heart's on the line

But will it be the Final KO

Awsome

By Diane Plourde

I will be honest and admit that I'm sometimes sceptical to try authors that I've never read before, especially one where I have to give an honest review for. I went in blindly into the ARC of The Final KO by Jessica Florence. I was nervous and a little scared about the unknown but started it as soon as I got it. This is my 5 wonderful passionate star, spoiler free and honest review. This story went way above and beyond my expectations. I was by far from being disappointed.

From the very first page, this story captured my undivided attention and did not let up until the very last page read. Plenty of intrigue, suspense, angst and romance to keep the storyline to progress seamlessly in order to

keep me on the edge of my seat. It was so entertaining and beautifully written that it pulled me in so deep in the story that I finished reading it in less than a day.

Truthfully, when I was reading the blurb, I was not immediately drawn to the book. But what's inside is a work of creative awesomeness.

" You do not know me. I am Arson Kade, your future"

Rayne is a MMA fighter who has physical strength, endurance and passion for her fighting. But she lacks passion and love in her personal life. She has not met her match yet, that is until Arson storms into her life at hurricane speed. Arson is also an MMA champion who's a sexy, passionate and highly romantic man. He never backs down when faced with a challenge. The only problem is, Arson's past is about to come back and threaten his future with Rayne's. Will they come out unscattered from the problems that lie ahead?

" You're not ready yet."

I really loved these two characters together and that's what drew me into their world. Sparks flew and the strong chemistry they have is off the charts and scorching hot. There was never a dull moment with them. Even Cammy, a secondary character did fit well into the story.

The author has done a tremendous job with this story. It's a never ending, uninterrupted and unsuspected surprise at every turn, that kept me attentive and glued to this story. The writing, the characters and the showing of a well thought out plot that was executed with talent from a very creative mind. I loved the epilogue because it reflected the story of what it was about. I also enjoyed the bonus scene from Arson's POV and was glad to have it because the story was told in Rayne's POV. It explained a lot about why he stormed into her life unexpectedly, I was always wondering about that.

This book is a standalone with a HEA. It's told in Rayne's point of view. It is intended for mature readers due to explicit language and lots of steamy scenes. I strongly recommend this book. This is definitely an author that I will read her previous titles very soon and I will also be on the look out for her future ones.

2 alphas. Sexy MMA fighters

By Melissa Joseph (Book Addicts Reviews)

What a fast paced, love from first sight story!!

Rayne is a female MMA fighter, therefore it's kind of hard to find a guy secure enough to rock her world. She is kind hearted, loves her fans, and just wants a sweet man who can dominate her as well. In walks Arson Kade, the definition of sexy manwhore. And when he spouts off that he is what she deserves and he wants her to be his for more than just a night...is this man serious?!?! Rayne can't believe he expects her to believe this. So she will give him one night of hot sex and then she will be out of his system. Except he does not want the sex without the flowers. Can she trust her heart to a man who had a different model on his arm daily?!?!

Arson is a male MMA fighter and top of his game. But he is looking for the after the fight life. And Rayne is it but she just doesn't know it. He will convince her. But will his past demons come back and destroy his future?!?!

Yes, yes, yes!! I love these two!!!! I love the story of Arson and Rayne. I even love the name play. I didn't even realize it until the "necklace". I love every single character. Cammy is like what every chick wants in a best friend. And coach omg I love him, I love when she imagined him calling twitter twatter. And her mother is so over the top but I love her too!!!! These characters make this one big family and I was ringside for the whole thing.

I wish I could have gave this 5 stars but some things just felt a little off but I love the concept and plot. And as I said before this book was believable and drew you in. I want Arson all for myself (he's going on my list of book boyfriends definitely!!)!!! Now on to the next book...I am sooooo excited!!

3 stars

Overall Opinion: This was just ok for me. I didn't love it, and I didn't hate it either. It won't go down as one of my favorites, and I also don't think it'll end up being all that memorable in the long run. Did I enjoy it? Sure. It wasn't too deep, it had pretty low drama, and it was major instalove that surprisingly didn't tick me off. I'm sure many will love this, but I just wanted...more.

\*\*See [goodreads.com/NMmomof4](https://www.goodreads.com/NMmomof4) for my full review with spoilers\*\*

Brief Summary of the Storyline: This is Rayne and Arson's story. They meet at a gala that is associated with the MMA, as they are both fighters. The sparks fly instantly, and Arson immediately starts his really aggressive pursuit of Rayne since he is certain that they are meant to be. There is some dancing around each other, but eventually they start spending more time together and fall in love. There is a villain from Arson's past that shows up and causes a little drama, but they get a HEA ending.

POV: This was told in Rayne's POV.

Overall Pace of Story: Good. It flowed well and I never skimmed.

Instalove: Yes. Definitely for the H (he claimed to love her at first sight), and the h moves quickly in her feelings as well. I just didn't understand it with the H, but I didn't get annoyed with it either for some reason.

H rating: 4 stars. Arson. He felt like kind of a contradiction for me. He was sexy alpha manly man, but he was also OTT in his romance and feelings for the h (and instantly). I couldn't help but like him for the most part though.

h rating: 3.5 stars. Rayne. She was a strong, and surprisingly likeable character. I had some issues with her martyr act towards the end.

Sadness level: Low. No tissues required.

Push/Pull: Yes, but mild

Heat level: Moderate. They have some hot chemistry and scenes, but not so much it takes away from the story.

Descriptive sex: Yes.

Safe sex: Yes. Birth control and std status are mentioned. I don't remember any mention of previous practices.

OW/OM drama: Yes

Sex scene with OW or OM: No

Cheating: No

Separation: Yes

Closure: This had decent closure with a cute jump ahead epilogue with a HEA ending. I wanted more time with them between resolving their conflict and the epilogue...but that's just me being picky ;)

How I got it: I paid the \$2.99 on Amazon for it.
