It's easy. It works

By dulcat

I am on this diet. I have 27 lbs so far. It's easy. It works. No extra costs. All you need is a measuring cup (measuring plate is optional). Count the cups. Watch the weight drop off. I have another 75-100 lbs to lose. It's not going to happen overnight, but it is happening. Eat what you like. Measure your food in cups. Lose weight.
