From Publishers Weekly

Kiyosaki draws upon the counsel of 21 of his closest big business pals to prepare his audience to properly assess property values, locate foreclosures, lower taxes and even find hidden investment opportunities. The book couldn't come at a more appropriate time, given the rising number of home foreclosures, and luckily seasoned narrators Jim Bond, Sandra Burr and Bruce Reizen make listening an enjoyable and personable experience. Many such guides fail to reach listeners because of their less than inspired narrations; this talented cast not only injects life into their respective readings, but also manage to get the point across without sounding the least bit robotic. A Vanguard paperback (Reviews, May 25). (May)

In a world where too many financial advisors do not follow their own advice, here is a book written by experts who practice what they teach and who will teach you to thrive, not merely survive, during turbulent economic times. This is the real deal...The Real Book of Real Estate.

The only thing better than one real estate expert teaching you how to invest and win is 20 real estate experts with that same mission. For the first time ever, Robert Kiyosaki, bestselling author of Rich Dad Poor Dad, has assembled in one book an unrivaled cast of real estate wizards and trusted advisors with one purpose in mind: to share their knowledge and teach you to win in real estate.

This is the ultimate real estate book you will come back to again and again. Read it cover to cover, or use it as a guide to help when you need it most. The Real Book of Real Estate will be your #1 source as you determine the real estate niche that is perfect for you and as you navigate the ups and downs of the real estate market and become the expert you know you can be.

Whether you're a seasoned investor or buying your first property, this is the one book you can and will read over and over. Robert's team of real experts shows you how to: value a property, lease a property and keep it leased, get financing, title and protect entities, find hidden investment opportunities, minimize taxes, and establish your own team of advisors.

Big book, big selection of topics, bigger educational value!

By Bob M

This book is big and detailed and covers specific real estate topics in each chapter that are written by experts in their field. The chapter on LLC's was very helpful and we're implementing the recommendations.

The Basics Matter

By Rick I.

What an excellent book, providing all the basics that are needed to get started. I would have saved SO much money and headaches had I studied and used Rich Dads advice from the beginning! Lessons are expensive! Read and follow the advice on every deal!
