Tim Tebow
His Life, His Words

Over the course of the past five years, Tim Tebow has established himself as one of the greatest quarterbacks in the history of college football and a top prospect in the NFL. During that time he has amassed an unparalleled resume—winning two BCS national championships, becoming the first sophomore in NCAA history to win the Heisman Trophy, and, in the face of massive public scrutiny, being drafted in the first round of the NFL draft by the Denver Broncos. Now, in *Through My Eyes*, Tebow writes about life as he chooses to live it, revealing how his Christian faith, his family values, and his relentless drive to succeed have molded him into the person and the athlete he is today.

The son of Christian missionaries, Tebow details his early years—from the circumstances of his birth in the Philippines to his homeschooled upbringing to his parents' emphasis on developing his character and deepening his belief whenever possible. Setting the record straight, he tells the story of his long and difficult path to becoming a quarterback, a path that at every stage was blocked by coaches telling him he'd never make it, that he should just give up and switch positions. Yet despite the critics, he believed—not just in himself but in the plan God had laid out for him—and time after time his determination and dedication proved his detractors wrong.

Taking you from his first week of Pop Warner practice to his record-setting career at Florida to his rookie season in Denver, Tebow goes inside the huddle on his biggest wins and most frustrating losses, showing how through both triumph and defeat he has grown as a leader, as a person, and as a follower of Jesus Christ. What emerges is a captivating portrait of a man whose passions demand the best from teammates, whose words inspire faith in others, and whose heart leaves everything on the field.

At every step, Tebow's life has defied convention and expectation. While parts of his life have been well-documented, these stories have always been filtered through the opinions and words of others. With this book he offers a firsthand, never-before-told account of how it all really happened—on the field, behind the

scenes, and through his eyes.

About the Author

Tim Tebow is an NFL quarterback, who was a first-round draft pick in 2010. He was the first-ever sophomore to win the Heisman Trophy and won the NCAA National Football Championships twice with the University of Florida Gators. His charitable organization, the Tim Tebow Foundation, was established in 2010 to bring faith, hope, and love to those in need.

Nathan Whitaker is the coauthor of three New York Times bestsellers including *Quiet Strength*, which he co-wrote with Tony Dungy. He lives in Florida.

Great inspiration to read with my daughter!

By Mile High Mommy

Reading this with my daughter has been a gift I'll treasure forever. I hadn't expected a young man to have much wisdom to share just being so young (and he addresses that nicely), but I have found more than just the story enjoyable - the book has been a great conversation piece for me with my 10 year old daughter. I am grateful Tebow created this story for family and friends to share together. What a gift!

Example - the chapter about Tim's mom's pregnancy impressed me with the delicacy and dignity he (with Nathan Whitaker) uses to offer the story. Here, I had expected a more evangelical Tebow (which I would have been fine with), but it never got "preachy" - just inspiring and touching the heart deeply.

Generally, to me, Tebow seems to present his faith as HIS and absolutely the only right answer FOR HIM. He doesn't express his faith as the only truth for everyone, but rather uses his platform to explain how valuable it has been to him personally. I didn't get the feeling that he was holding himself up as the gold standard whatsoever (again, I might have been just fine with that, because he does seem to be a fine modern example of a young man dealing with fame and faith beautifully, and, besides, I couldn't be offended because I happen to agree with him in this respect).

I am thrilled his story has been genuine, heartfelt and inspiring. And he hasn't really even lived but a small portion of his lifetime yet - so I can't wait for the sequel! :)

I hope that one leads to the greatest heights of his hopefully legendary career. More importantly, a legendary LIFE :)

UPDATE: BOOK SIGNING, TATTERED COVER, DENVER 06-04-11 > What a class act this man is! Took my daughter and my niece to have their books signed. They both feel so blessed that they got to shake his hand as he looked sincerely into their eyes and told them it was HIS honor to meet THEM! OMG - to see a child's heart touched (and eyes tear) from hearing such an inspiring remark from someone who is larger than life to them both. He treated them as if they were the only people there for that moment.

My niece leaves in 6 days to work at orphanages in Africa for 3 weeks and was overjoyed that I gave her *Through My Eyes* to read on her trip. She's going to LOVE having this book with her - in her hands and in her heart as she works in Africa! GB2 to Mr. Tebow!

A new Tim Tebow fan

By Stephanie Granger

I'm not an avid football fan, I know the game but I don't follow it every season and was oblivious to Tim Tebow and his career until about a month ago when he started to make headlines for his consecutive 4th Quarter comebacks. When his success brought national attention to his Faith it opened up discussions amongst my family about the negativity displayed toward his praying, particularly by Bill Maher. My sister gifted me "*Through My Eyes*" for my Kindle on Christmas and I was surprised to learn that one of my peers had already published an autobiography.

I do not have a problem with the age in which he published this memoir, although based on reading other reviews, it seems there are critics. I found it refreshing to hear from someone from my generation who not only has a good head on his shoulders but an impeccable work ethic. In the fashion of a good inspirational sports story, I found myself more motivated to work harder and longer in my training for an upcoming marathon after reading Tim's mantras and about his successes.

I also found myself more motivated to pray. Although I am Christian, I am embarrassingly lackadaisical when it comes to praying and I wouldn't say Tebow's excessive praying guilted me into wanting to be more devout, but he did make me realize where God's presence was missing in my life due to my own neglect.

So based on Tebow's goal of writing an inspirational autobiography, I believe he has succeeded in getting out his message and affecting at least one life. As for the story, his story, I enjoyed reading about his upbringing and collegiate career. There were times when I felt he could have elaborated more on events in his life which he briefly mentions but could have lead to some great stories (i.e. a road trip with a packed car, a date with a fan with a brain tumor). And despite the low page count, I found the book very dense, with almost play by play details of all of his collegiate games.

I really like Tim Tebow based on what I read, and I am proud of the platform he has worked so hard and diligently to create for himself. Whether you're a fan of the Gators or Broncos, you cannot deny the results, his championship wins and other accomplishments (i.e. Heisman) had to be earned.

Before reading "*Through My Eyes*", I was aware that he is a devout Christian and I also felt his actions on and off the field were commendable, that he is a good role model. I feared the naysayers and comedians like Maher would discourage him - eat him up for praying, then losing a handful of games, and the public tears - but after reading his autobiography, I learned that this is nothing new for this tough football player with a big heart. He is no stranger to critics. Hopefully he will continue to succeed both on the field with the Broncos and off with his Tim Tebow Foundation. I finished "*Through My Eyes*" just in time to watch the Broncos defeat the Steelers in the AFC Wild Card Game; it looks like Tebow will continue to make a name for himself in the NFL and it's exciting to see him succeed.

Inspirational and motivational read

By Brookeh

This is a wonderful story of Tim Tebow's journey to the NFL. It is a very personal and heartwarming book, and gives you his take on all of the media-scrutinized events of his life. I really enjoyed this, and can't wait to read this with my nine year old son.
