Extremely helpful!

By J Scott

I am currently a nursing student, and we had the chance to take a student success course as an elective. This was the book assigned to the class, and I was blown away by how helpful it was. I am doing better in my classes thanks to this book. I recommend this to any nursing student, and I have told other friends about it at different nursing schools. It is awesome!!! 5 stars!

I highly recommend this book to all nursing students and students from ...

By Eric Fisher

OMG! Absolutely blown away by the content in this book. This little book does pack a serious punch. Every tip and strategy in this book is extremely helpful and has really helped me make improvements in my study habits and time management. I highly recommend this book to all nursing students and students from other professions. We even got a chance to meet the author, and it was truly amazing!
