Drew Thomas is a comic shop nerd until one fateful day. An unlikely meeting with a cop and a skateboard sends his life in a completely new direction. He starts high school and, along with his group of misfit friends, soon becomes a contender on the Cincinnati skateboard scene. Along the way he quickly learns that life off the board isn't so simple. The party life is snatching his friends away from their boards. He winds up stuck in an on-again and off-again love triangle. And he realizes that not fitting in just may be the death of him. YESTERDAY ERASED is a hard-to-put-down, 109,000-word commercial fiction piece, based on my own experiences growing up. It deals in themes any young adult, skateboarder or not, can relate to and leaves you pondering your life when you're done. No matter who you are, you'll find a piece of yourself in this book! The author, Andy Schrock, spent most of his time growing up on a skateboard. He now makes a living creating content online as well as running his own skateboard company, ReVive Skateboards. He lives in Cincinnati, Ohio with his wife and their son.

This book is GREAT

By Hi

Andy is a good writer, his book has helped me to understand how to get through teen life. I highly recommend this book to skateboarders and non skateboarders. You should also check out his youtube channel and his online store to get skateboards and other high quality products

Thanks Andy

Although Andy Schrock doesn't have the best writing abilities, the story is interesting and keeps me reading. The plot is very relatable, which makes it much more fun to read. Four chapters in after about 45 minutes. Continuing to read after I finish this review!

Great job, Andy!

This book is going to be my Bible

By AwkwardSkaterPj

I started watching Andy Schrock's YouTube videos about two and a half years ago, a little while after I started skating. Back then, he was working two jobs, tired, and seemingly miserable. In the time I've been watching, he's started his very own skateboard company, gotten a fiance, had a kid, and published this book. I'm on a perpetual quest to support whatever he does, so I naturally bought it. After having finished it today, I can honestly say this book is the single most relatable thing I have ever read. It's essentially autobiographical, but with obvious necessary dramatization. A large part of it revolves around coping with everyone around you changing, doing drugs, and "growing up" while you remain essentially the same, and sort of cling to your innocence and individuality. His only constant in life is his skateboarding. I think anybody that ever went through being a teenager has something to relate to it, but for a skateboarder, especially a dedicated, obsessive one, as I consider myself to be, it literally feels like I'm reading about myself. Just the thought of somebody else going through so many of the same experiences as me is absolutely therapeutic, and this is now my favorite book that I have ever read. Andy Schrock just made a lifelong supporter out of me.
